WHY THEY DON'T WANT FIXES IN USA. PUTIN AND RASPUTIN

Why not fixing in the USA

MIAMI, 17.11.2017, 04:53 Time

USPA NEWS - As far as I've seen, or I've heard, Donald Trump, the President of the USA is in the group of men who know how to double the dollars as Jesus Christ done with the fishes without being Jesus Christ. And anything he try to do... he reaches at least the number 90 on the scale between very good and very perfect. This is something that proves he is the right man in the right position. What? You don't understand? Then you are misunderstood. But to be in this group of the misunderstood, you supposed to be a Moron or a Rogue.

Morons are those who disguise themselves as stupid to swell the ranks of whom do not wish to clean up the financial panorama of the United States from street crooks and bureaucrat robbers of neck and tie. And the rogues? The rogue, or picaro, was a popular type who moved around the cities of Seville and Madrid in the middle ages of Spain, who dedicated his time and space as Mephistopheles, to extract the dimes from the pockets of walkers with tricks that came from nothing.

The enemies of Trump, to present the President like somebody-who-don't-know-how-to-cook, even link him to extravagant, ridiculous, alienated characters, or as delayed gorillas who wish an eternal Power, or like imaginative boys who want beautiful young maidens. There is the invented ridiculous trance of Trump with the first monk RasPutin, I mean, with Putin, as it could decide the winner in an electoral event in the United States. And that is the confidence they have in the electoral mechanisms of the United States?

Let me tell you a "True without Borders"^[2]. If we do not clean the United States like the president Trumps desires, we would lose little by little our American way of life without realizing that we are going to an abyss.

But the president always has how to respond to these programmed attacks, as if they were malignant Softwares, which have been sent by stupid illiterate people who can not destroy something solid intellectually and physically.

We hope that at some point the enemies of President Donald Trump will change and not continue adding themselves to the those who hate the United States of America.
